FRIDAY, JUNE 8, 1877.

SAN CARLOS AGENCY.

Last Saturday's dispatches credit Inspector Vandever with remarks that he is not likely to admit as his own, unless he is more stupid and ignorant than he has credit for. He is charged with saying "that if the order to station a military officer at the San out of employment. Carles is carried out, the worst results would follow." If this is supplemented by tracted from the Zalida to-day. adding "to the Indian Ring in Tueson," all right, nobody will object, and nearly everybody will agree to it.

manliness or self-respect would submit to nected with freighting. the same," we believe to be the sentiments of the Tucson Ring, and not of Gen. Vanaccordance with paragraph 2088 Revised within the next two weeks. Statutes, which makes it imperative that of the Commissioner of Indian affairs, and and thence via Pacific and Atlantic. that it certainly will be carried out, let the consequences be what they may.

"That the same logic would require civil Army," is not logical in the least. There is a wide difference between issuing rations to soldiers and issuing to Indians. The for- Mr. Mcredith Aldrich, of Lower Agua mer know what they are entitled to, and the Pria, we learn, has seventy-five acres of fine remedy if they do not get it; besides, issues wheat headed out. The present indications Robert. Owing to the absence of some of to troops are made in the presence of any are that Mr. Aldrich will raise wheat suffinumber of witnesses, to people who know cient to furnish his section with flour for body was postponed until I r. M. After enfor their own interests.

The white-washing report on the San Carlos Agency, we are inclined to believe to be Zalida Mine. - Jay G. Kelly, now residing Jurors summoned for this term: John Harbushels of oats and barley, 250 bushels of creek to the mine. vegetables, and 350 tons of hay. Also, the very rapid progress these Indians are making in agriculture; their 5,000 sheep those who know anything about the San week ending June 2, 1877: Carlos Reservation, know just how much Adims J C truth there is in this wonderful progress, Akards Anda and we think Gen. Vandever knows also, if Baker J J he would tell.

DEMOCRATIC POW-WOW.

Arizona before Chief Justice French on the pany have ordered, through H. B. Murray, 30th ultimo, and Secretary Gosper has also agent, a two-stamp quartz mill. This is a move in the right direction, and one that should be followed by others who own mines containing ore of untold richness. The Zaquarters at Prescott, the Capital of the Ter- lida company had intended to ship their ore to San Francisco, but upon more mature consideration decided to purchase a twostamp mill, which is a fac-simile of the arge quartz mills, only of a miniature scale. These mills can be reached by very many prospectors, as they cost but a trifle, figuratively speaking, and there is hardly a mine Salt river is said to be overrun with men of note in the county but what can pay for one of these wonderful little mills with the Large quantities of pure silver was ex- proceeds from a ton of rich rock. The amount saved in freight on a few tons of ore from Arizona to San Francisco would more than pay for a mill, and save much trouble Hon. S. C. Miller returned this morning in shipping; would be the means of giving the owners a chance to work their ores at home, prospect other leads and give employment to idle men, who are numerous, and DRY GOODS & DRESS GOODS, The Black Warrior mill has at last been have a tendency to help build up the minor reduction, the owner is compelled to submit to the assays there, and be shaved just present at all issues to Indians, and, that the tic and Pacific telegraph line can do so by Look at this as we may, there are none but work our rich ores here at home, and to this end all that is needed is backbone and cour-A Mr. Clark, in the employ of Dr. W. W. age to order machinery, where parties are Jones, had occasion at Black Canyon, a few satisfied that their mines will justify the act.

morning. The following gentlemen, on motion of District Attorney Weber, were admitted to practice, and took the necessary the Grand Jurors the empaneling of that tertaining several motions and sounding the Towels, Linens, civil calendar, the Court took recess until Clough, W. C. Collier, James C. Curtis, A. G. Dillon, J. G. Campbell, William Gilson, C. L. Ferguson, S. O. Frederick, W. N. Cook.

High Furights. - We are now at the mercy of a great monopoly, and that monopoly is the Southern Pacific Railroad Company. A move should be made to change our supplies, immediately. The maximum charges by the Southern Pacific Railroad are seven cents from San Francisco to Ehrenberg, and then from Ehrenberg to Prescott we are compelled to pay four cents more, making a total of eleven cents from San Francisco to Prescott. We are under the impression that freight can to from New York to our town for about seven cents by the Denver and Santa Fe R. R. to its terminus, and thence via teams to Prescott. Then why not move in the matter!

yesterday and were surprised to find so many varieties of vegetables in all stages of growth. Mr. Lindsay has made the little NEW nook that a few years since was a willow patch, one of the most lovely places in Arizona. Mr. Lindsay settled where he now lives a young man full of energy and those who witnessed his first undertaking declared he would starve to death, but quite the contrary has been the result. He has beautified a nice little home and in that home can be found a loving wife, a nice boy, and plenty of the needful. Industry and economy is all that is required in Arizona to become
